

COMING COPENHAGEN

Coming Copenhagen's products are 100% animal free.

We use no fur, leather, wool, exotic skin or any other animal-derived materials in the production of our bags.

At Coming Copenhagen you can shop a selection of premium handmade cruelty-free cosmetic cases, bumbags, pouches, totes, and crossbody bags, both for men and women, at an affordable price and with handmade quality.

In order to be certified as a PETA-Approved Vegan company, we signed PETA's statement of assurance verifying that all our products are vegan.

This certification is the symbol of our commitment with all of you animal-friendly consumers
